

Last Day for Member Input – Feb. 28th

The NWAHA Board of Directors is asking for membership input regarding the possibility of relocating the NWAHA National Championship Horse Show in 2012 or beyond. If relocated, the dates of the show “may” require changing.

Please go to <http://www.nwha.com/members/membersarea.html> to provide your thoughts so the Board can consider the membership opinions before making any decisions.

Members are able to access the site at www.nwha.com/members/membersarea.html. They will use their NWAHA member number and their name to login to the site. User names include the first letter of the first name along with the full last name (ex. Andy Smith would be asmith). All passwords begin with nwha (lowercase), followed by the member number (ex. Member #1268 would be nwha1268). Family Memberships: each family member has been assigned a new membership number.

If you need help with accessing the site, please contact the NWAHA Office at 1-859-252- NWAHA (6942) or asstexec@nwha.com.

Membership input on this topic will be open through the end of the day on Monday, Feb. 28, 2011.
