

## **Panther Creek Competitive Trail Challenge**

We'll have a campfire meet and greet Friday night (bring your own guitar or fiddle), breakfast, and lunch available Saturday, and a natural horsemanship clinic after the awards! Plus, they'll offer a rib ticklin' cookout for dinner on Saturday night with entertainment to follow! This should be a fun and informative weekend. You must register online to participate at [www.actha.us](http://www.actha.us). Be sure to reserve your campsite/cabin/stall directly with Panther Creek!
