

NWHA Youth Leadership Conference Liability Release

My minor child, _____, would like to participate in NWHA programs. I acknowledge the risks and potential risks of equine activities and I understand that each participant who engages in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risks of equine activities. However, I feel that the possible benefits to my son/my daughter/my ward are greater than the risk assumed. I understand that under Kentucky law, a farm animal activity sponsor, farm animal professional or other person does not have the duty to eliminate all risks of injury of participation in farm animal activities. There are inherent risks of injury that one voluntarily accepts if participating in farm animal activities and I, as parent of this minor child, accept for my minor child the inherent risks involved in farm animal activities. Intending to be legally bound; I, my heirs, assigns, executors or administrators, waive and release forever all claims and damages against the NWHA, it's Board of Directors, instructors, volunteers, chaperones, facilities, and/or property owners, and/or employees for any and all injuries which my son/my daughter/my ward may sustain while participating in the NWHA Youth Leadership Conference program.
